When is the official transition from Halyard Health to O&M Halyard?

For the ANZ region, the date of transition to Owens & Minor is 1 April 2019.

Which product categories are included in the sale to Owens & Minor?

Surgical Solutions

- Sterilization Solutions
- Surgical Gowns
- Surgical Drapes, Packs and Equipment Covers

Infection Prevention

- Medical Exam Gloves
- Protective Apparel
- Facial and Respiratory Protection
- Patient Care
- PPE Dispensers
- Fluid Absorption
- Clinical Towels

NOTE: The INTEGUSEAL* portfolio is NOT moving to O&M Halyard but remains with the Devices part of the company, now called Avanos Medical Inc.

There will be no changes to product code numbers.

What action do I need to take to be able to place orders?

You need to ensure O&M Halyard is set up as a new Vendor as per details advised above. All orders placed on or after 1 April 2019 must be raised under the new O&M Halyard vendor details. Orders processed post 1 April 2019 will be invoiced by O&M Halyard.

Will existing orders still be executed?

Open orders for S&IP products not dispatched by 31 March 2019 will be cancelled.

Customer service will advise details of cancelled orders.

Replacement orders for the equivalent products and quantities will need to be placed on the new vendor numbers.

Should a new vendor number be developed for the S&IP product portfolio?

Yes, effective 1 April 2019 you will need to create a new Vendor Master record for O&M Halyard based on the information above.

Is there an impact to deliveries or order placement during this transition?

Yes, in order to facilitate the required system changes there will be a shipping 'blackout' on Monday 1 April 2019. No orders will be processed, dispatched or invoiced on this date.

Hospitals- Please place all orders by 1pm Friday 29 March 29th for S&IP products (or after Tuesday 2 April)

Distributors – Please place all orders by 1pm Thursday 28 March 28th (or after Tuesday 2 April)

What will happen to future dated delivery orders/forward orders?

If the forward order is for S&IP products and the 'vendor' on the order is listed as "Halyard Australia Pty Ltd", the customer will be contacted by Customer Service and a new order requested.

Will the O&M Halyard packaging change?

No, there will be no visible changes to HALYARD* branded S&IP packaging. Later in 2019 there will be changes to the fine print with entity and address updates, but this will have no impact on the actual overall packaging look of the products.

Additionally, there will be **NO CHANGES** in following areas:

- All the existing terms of trade including your payment terms, pricing arrangements and other general terms and conditions of the existing contract will remain the same. Our contracts team will have contacted you separately to novate the contract under the new entity.
- You'll have access to the same quality HALYARD* products and clinical expertise.
- Product code numbers remain the same, with no product or name changes.
- Your current Halyard sales representative will continue to provide the excellent service you have come to expect from us.
